

HART Buy America Act & Buy American

RE: HART Industrial Unions, LLC & Buy America Act Compliance

DATE: January 1st, 2021

HART Industrial Unions, LLC is proud and able to comply with Buy America Act and Buy American Requirements.

All HART Sure-Seal O-Ring Unions are proudly 100% CNC Manufactured in the United State of America at our global manufacturing headquarters in Connecticut.

With regards to "Iron & Steel" as per the Buy America Act, HART can offer domestic (USA) melt on our Carbon Steel (A105, A350-LF2, 12L14) and Stainless Steel (A182F304/304L and A182F316/316L) round bar stock we manufacture our unions from which meets the Buy America requirements.

While not required by Buy America, we can also offer all other material options (Brass 360, Brass 464, etc) with a DFARS compliant country of melt for the raw material we use to manufacture.

Customers must request Buy America Act / Buy American / USA Melt at the time of quotation and on the purchase order so we can ensure we quote and confirm accurate pricing and lead times.

Please feel free to contact us with any questions, concerns, or additional requirements and we would be glad to assist.
